

UNESCO's events all the year round

January 11-International Thank You Day

Some words as “Hello”, “How are you?” and “Thank you” don’t need long hours to learn. But these words can help people when they travel and can face different situations. So this year the 11th form students tried to teach the 9th formers how to be polite and say “spasibo” in different languages of the world.

January 15 -World Snow Day

On this day our students enjoyed skiing. It helped them to improve their skills in winter sports. Moreover they had a great fun!

January 29 -International Internet Free Day

During the breaks of this school day our students decided not to use their gadgets and different social sites for communication. They proposed to communicate face-to-face and played different funny games.

March 21 - Earth Day

Earth Day is a good time to make a commitment to learning more about the environment and how you can help to protect it. The 11th form students made a project about their personal contribution to the environmental conservation. They tried to attract other students' attention to small things everybody can do to protect nature.

September 22 - World Carfree Day

Our students joined people who gave up their car and used public transport and rode a bike to get to lyceum.

October 11 - International Girl Child Day

Debates were organized at Lyceum and students participated in the event, sharing their thoughts and ideas about early marriages.

December 1 - World AIDS Day

A group of students from Grodno State Medical University shared useful information about AIDS and pinned red ribbons as a symbol of AIDS.

December 20 - International Human Solidarity Day

Every year before Christmas our students and teachers visit a children's home to congratulate children. They give them presents, act Christmas plays and dance with the children.

Last Christmas a group of creative girls organized a charity fair. They sold some handmade things and bought presents for the children

Within the realization of the innovation project «Introduction of the model of forming social success of students» the center of youth initiatives was opened in our lyceum. The motto of the centre is «Together: reasonably and effectively».
